

25mm x 15mm

The diagram shows a white rectangular component with rounded corners and a thin black border. A gray rectangular label is centered on the upper portion of the component, containing the text "25mm x 15mm". The component has a slightly wider top section and tapers slightly towards the bottom.

25mm x 15mm

The diagram shows a white rectangular component with rounded corners and a thin black border, identical in shape to the one on the left. A gray rectangular label is centered on the upper portion of the component, containing the text "25mm x 15mm".
